SKILLS

- React
- JavaScript
- Redux Toolkit
- NodeJS
- SQL, MongoDB, PostGres, Firebase

PROFESSIONAL SUMMARY

Highly motivated and adaptable Full Stack Developer with a CodeCademy certificate and a passion for continuous learning. Fluent in English and possessing a N3 JLPT certificate in Japanese, I am seeking a Junior position in Japan where I can contribute with my skills and grow professionally. Proficient in developing applications using React, Redux Toolkit, Node.js, and JavaScript, I have a strong problem-solving mindset that combines creative and analytical thinking. With a goal-oriented approach and the ability to see the bigger picture while specializing when necessary, I bring a self-motivated, open-minded, and flexible attitude to any work environment. Ready to take on challenges and consistently deliver exceptional results, I am committed to making a positive impact and actively contribute to the success of a dynamic team.
